

# Meet Michael Noonan, TAG Financial Planner

Michael was born and raised in New Zealand and later moved to Australia in 2008. Michael has been working in the financial services industry since 2007 and has held positions in global insurance businesses, award winning private boutique wealth management firms and more recently as an adviser for the Commonwealth Bank.

Michael has had vast financial services experience across areas such as Retirement Planning, Wealth Creation, Debt Management and Asset Protection. His meeting with you will involve a discussion around your specific goals and objectives and what you would like to achieve, from there he and the team will get to work on a plan that will help you achieve your dreams. Michael is very passionate about helping his clients through this process and gets a lot of pleasure when clients are able to realise their dreams.

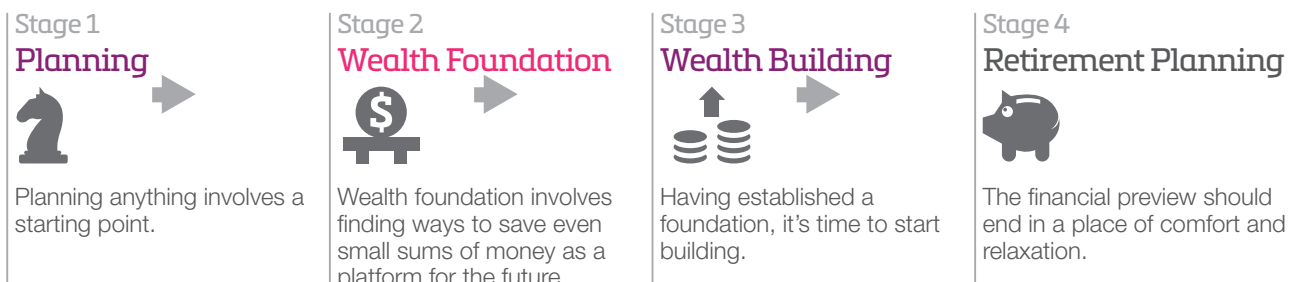

Outside of work Michael is an avid sports fan, particularly for Rugby League and Motorsport. He plays touch football and is currently working towards his Masters in Applied Finance.
